**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Without competition, our service will likely no longer be affordable and if we only have ATT to choose from it won't be good either.

After years of expensive, nickel and diming, terrible customer service phone and internet service from ATT, we found alternative, reasonably priced service with a local provider, SONIC. For the past 8 years our service has been affordable and reliable with fantastic customer service through SONIC..

We want choice. We want SONIC. ATT was out of touch and not caring what the customer wanted. SONIC is all about customer service.

Thanks to SONIC we have broadband service so that our family AND our guests can enjoy streaming on multiple devices.
